ATHENS, THESSALONIKI & CRETE TRANSFERS

It's a great idea to pre-book a transfer in Athens. Taxis at the airport can be expensive, and drivers at the ports, especially Piraeus, can sometimes be unhelpful.

Piraeus Port is huge (one of the biggest in Europe) and it can be hard to navigate the various gates.

You can book a transfer to or from Athens International Airport, Piraeus Port, Rafina Port, or Lavrion Port.

SANTORINI TRANSFERS

In Santorini, we recommend using Nikos Drakos and his team at SantoLuxuryEscapes.

Nikos was born and bred on the island and is a wealth of knowledge and hospitality. He can organise your airport and port transfers as well as take you on organised tours.

He is licensed appropriately and has full insurance coverage, as well as a modern Mercedes vehicle. If he is booked out, he can usually organise for a colleague to step in.

OTHER GREEK ISLAND TRANSFERS

Arriving at a foreign airport or a busy port can be overwhelming and taxis can be hard to find. The Airports are mostly small and can be crowded in summer and the Ports are often quite chaotic. The islands all have limited taxi numbers based on their permanent population and driving can be challenging for people who are not used to it.

Islands currently being serviced by Welcome Pickups are:

Corfu, Crete, Kos, Mykonos, Paros, Naxos, Rhodes, Santorini, Kefalonia and Zakynthos (also Thessaloniki and Izmir and Istanbul in Turkey)
